

### REMARKS

A Petition for Extension of Time is being filed concurrently herewith.

Reconsideration and allowance in view of the foregoing amendments and the following remarks are respectfully requested.

Claim 4 has been amended. Claims 1-5 are pending in this application.

The drawings stand objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the reference characters not mentioned in the description: "1200, 1300" on Fig. 5 and "600" on Fig. 8. In response, Applicant has amended the specification to include those reference characters in the description. It is believed that the drawings are now proper and in full compliance with 37 CFR 1.84(p)(5). Withdrawal of the objection to the drawings is respectfully requested.

With respect to the abstract, Applicant herewith submits a substitute abstract which does not exceed 150 words.

In view of the Examiner's kind suggestions, Applicant has amended claim 4 accordingly.

Applicant notes with appreciation that claims 1-5 are allowable over the prior art of record.

The prior art made of record and not relied upon is noted.

All objections have been addressed, it is respectfully submitted that claims 1-5 are now in condition for allowance and a notice to that effect is earnestly solicited. If any issues remain to be resolved, the Examiner is cordially invited to telephone the undersigned at the number listed below.

Respectfully submitted,
